

Dear Friends

In order to protect everyone the government has ordered all pubs to close at this time and to only re-open for normal business once it is safe to do so.

In the meantime we are joining the effort to feed the nation and are permitted to offer a takeaway service for food and beverages between Midday and 8pm every day. We have shared an initial menu overleaf but will keep this updated via our website www.thenewinnsend.com where we will also provide details of our **daily £5 meal deal**.

We have launched a local delivery service for any orders that include food which we hope will particularly help those of you that are self-isolating.

*******To place an order just call us on 01483 762736*******

We are a family run pub with an incredible team supporting us and together we will get through this – however we understand that we are all facing new challenges every day and so if we can help you in anyway then please let us know. We would like to take this opportunity to send our very best wishes to all of you and your families and hope that you all stay safe and well during this time.

Mark, Max and The Team
