

How It Works

The Main Bar

- For guests dining on the premises all food orders must be placed at The Main Bar inside the pub.
- Drinks including draft lagers, ales and ciders will be available.
- The entrance is in the front garden and a queuing system is in place around the side of the building.
- Make a note of your table number as we cannot serve you at The Main Bar without this.
- There are two Order Points at The Main Bar. We ask that a maximum of two people per party come to the bar.
- If both Order Points are occupied, please wait outside the building until one becomes free.
- Drinks will be served at the point of order for you to take back to your table.
- Bamboo cutlery, a napkin and salt and paper will be provided at The Main Bar for you to take back to your table.
- Food will be brought to your table by a member of the team who will also provide you with any condiments you require.

The Bottle Shed

- As the name suggests you can buy a bottle here! We will be selling bottled beers, lagers, apple and fruit ciders, prosecco (20cl & 75cl), wine (75cl) and soft drinks.
- We will also be selling ice creams, ice lollies, crisps and peanuts
- We will not take orders for any food or drinks that are only available at The Main Bar such as draft lagers and ales

The Collection Point

- We will continue our food takeaway service however will no longer offer take away draft drinks including lagers, ales and ciders.
- Takeaway customers will not need to enter the pub.
- Monday to Friday lunch time the Collection Point will be at the window near the Main Entrance.
- From Friday evening and across the weekend the Collection Point will relocate to The Bottle Shed. The bench in front of The Bottle Shed will be reserved as a waiting point for Collection only customers.
- Food and drink obtained via the Collection Point is for takeaway only and cannot be consumed on the premises.
